Work Experience

Thumbrand

June 2019-June 2020

Thumbrand is an USA based digital agency. They proveide all kind of digital service to their client. I was their contract base employee. As a junior UI designer here my amin job was working with the Senior UI designer and assist him to make landing page, dashboard design, & sometimes social media post design also.

The Dynsty

March 2018-January 2019

In very early of my career I started work here as a graphic designer. It is a street wear apparel manufacturing company based in UK. Iworked there as their remote designer to produce graphics and marketing materials.

High School Live

July 2017- December 2017

As a Intern designer I join here at the early stage of my career. I worked with the team more than 6 months. It was a great experience for me.
